

The Sports Charity Mwanza is a Tanzanian NGO with the mission to create a sustainable sports infrastructure in Mwanza. So far, organized club structures and the necessary infrastructure have been missing. Together with the City Council and regional sports associations our Tanzanian and International team raises funds, builds sports grounds, initiates the founding of sports clubs and equips the clubs with essential training equipment. Furthermore, coaches get trained holistically and workshops are held to teach kids, adolescents and young adults important life skills.

Internships / Voluntary Service – Basketball, Volleyball, Netball, or Football Development Aid m/f

(Duration: 4-6 months; starting date: January-May; type: unpaid internship)

With us you can expect more than a normal internship. We are looking for sports enthusiasts and change makers who have their heart in the right place. You will represent our international team in Mwanza (about 1 million people) and you will be responsible for building up sports clubs in your sport. While you can teach a lot to local coaches and youths, you will also realize that you can learn a lot from them for your future life back home. To get more information about our charity and the situation in your sport, please visit www.scmwanza.org.

Responsibilities:

- In teams of 2 or 3, you will set-up structures and operations in the sport you are responsible for
- Be a combination of a coach, social worker and project manager in a social start-up
- Evaluate our effectiveness, develop our charity further and support us in getting international support
- Take part in public relations, networking and have a lot of fun during and after work

Requirements:

- Willingness to make a difference in the world during university or before beginning a(nother) job
- Openness towards new cultures and fluency in English
- Enthusiasm for sports and social work; ideally coaching experiences or a coaching license in your sport
- Organizational skills, flexibility, ambition and an autonomous working style
- Humor, team spirit and communication skills

We provide:

- Introductory month in Tanzania
- Mentoring through Tanzanian and international project leader. The culture in Tanzania is very different to ours and we can learn a lot from each other.
- Improving your skills in project management, social work and coaching
- Opportunity to bring your own ideas in and to become part of a young charity team in the long run
- A modern, lately re-furbished volunteer house and a volunteer culture that makes you feel home fast
- Enough days off to discover one of Africa's most beautiful countries (Serengeti, Zanzibar, Kilimanjaro)

If you are interested in becoming part of the SC Mwanza team please send a resume and cover letter in English to our co-founder Reed Fox at info@scmwanza.org. Don't hesitate to ask your questions.
